## 2014 Addendum

**What revenue sources, if any, would you support to stabilize revenue in Washington State, and avoid wild swings in budgeting year after year? Will you commit to working toward lifting the 1% cap on property tax revenue?**

**What actions will you take to improve access to social safety net programs – be they homeless shelters, affordable and workforce housing, and/or health care, among others?**

**What do you believe needs to be done, if anything, to improve education and access to education, from pre-K to higher education, in Washington State? If your position includes an increase in spending, please explain where you would find the revenue and/or what other spending would you cut.**

**Please identify, and explain how you plan to address, transit and transportation infrastructure needs as they affect your district, as well as the region.**

**Please describe how you will work to balance economic needs while protecting the environment in Washington State.**
